

## KOOKABURRA SUMMER CAMPS 2021

Incoming 1<sup>st</sup> grade through 5<sup>th</sup> grade

Summer fun is around the corner! Country Montessori School has seven weeks of summer camp adventures from **Monday, June 28 to Friday, August 6**. There is an exciting program of themed camps and fun activities. Please read all the camp descriptions and decide which ones your child would like to attend. Once you have registered for the camps there are NO REFUNDS as we have made staffing commitments.

- Children should bring their own healthy, balanced lunch. Containers need to be easily opened.
- Refrigeration and heating of food is not available. Snacks will be provided.
- Please send a reusable water bottle for your child to use at camp. No other drinks should be brought to the camps.
- Swimsuits and towels should be brought on Monday and remain at school all week as there is water play in the afternoon.

Montessori materials go away for the summer and we have a themed program of fun activities.

Half Day Camp 8:30am to 12:30pm

Full Day Camp 8:30am to 2:30pm

Childcare is available from 7:30am to 8:30am and from 2:30pm to 6:00pm

Childcare is billed at \$7 per hour

## See you soon!

Programs and staff are subject to change

<b>June 28 to July 2</b>	<b>Olympic fun and the study of Greece!</b>	<b>Ms. Rehkopf</b>
<p>Explore Ancient Greece Take a trip to Ancient Greece. You'll explore why the Greeks built temples, wore masks, and held the first Olympic Games. To look the part as an Athenian, you'll make chitons and himation's and adorn your heads with wreaths. The fun will continue as you participate in the CMS Olympic Games and design awards such as beautifully sculpted pots or vases for our athletes. You'll try your hands at architecture as you build replicas of famous Greek temples. Activities revolving around gods, goddesses and myths will be part of your journey. No trip to Greece would be complete without a visit to the theater. Part of your enjoyment will be creating plaster masks to wear while performing skits.</p>		
<b>July 6 to July 9</b>	<b>Calling all Heroes!</b>	<b>Ms. Salas</b>
<p>This week our action-packed summer camp will have your child learning how to take safety measures while having fun. From fires to earthquakes your child will learn how to bandage wounds, do search and rescue, make safety plans and more. We will have experts in their fields come to help your child become a real-life hero. Although safety is first our summer camp is filled with crafts, action, and so much fun!</p>		
<b>July 12 to July 16</b>	<b>S.T.E.M. Fun in the Sun with Solar Science!</b>	<b>Ms. Stanphill</b>
<p>Have some fun in the sun &amp; explore the world of solar energy! Campers will build solar ovens to cook their own snacks like mini pizzas, nachos, cookies and s'mores (and more!) without electricity, gas, charcoal or wood! We'll build solar desalination devices that can turn saltwater into fresh water that we can drink! Students will build their skills in problem solving, communication, teamwork and decision making with engaging hands-on learning activities. Join in the fun for some super solar science!</p>		
<b>July 19 to July 23</b>	<b>Adventure Camp</b>	<b>Ms. West</b>
<p>Adventure Camp Every day at this summer camp is an ADVENTURE! Children will love this week filled with numerous activities that teach growing campers' responsibility, courage, respecting nature and great life lessons. Each morning we will gather around the campfire to sing and discuss the days plan. The week will consist of setting up camp, arts and crafts, camp safety and a real camp out! Campers will be pushing their limits to find inner courage in so many ways. Thursday's class will include an onsite jumper and rock-climbing wall. Thursday evening campers will put their camping skills to the test by spending the night in the great outdoors on our CMS campus! They will be setting up camp, making dinner, dessert, breakfast and so much more to get a full night-time camping experience. Friday morning will include a hike up Monte Vista Rd to a trail head totaling a 40 minute hike up the mountain. Our camp week will conclude with the challenge of eating a BUG and taking down camp as if it never existed. Is your child ready for is Adventure? I hope so!</p>		
<b>July 26 to July 30</b>	<b>Fun with Aeronautics</b>	<b>Dr. Rader</b>
<p>Up, Up and Away!!! All junior pilots and astronauts are invited to fly with us. What makes an airplane fly?... You'll discover, "How in the World?" by experimenting with our very cool wind tunnel and airplanes made of paper, wood, and Styrofoam. Bring your favorite model airplane to taxi on our replica apron and runway. Practice your piloting skills on a flight simulator. You want to fly further?</p>		

Let's go all the way to space with bottle rockets, stomp rockets, and more. You'll build em and blast em and also take a few home. Be prepared for a thrill!

<b>August 2 to August 6</b>	<b>Sports</b>	<b>Ms. Rendon</b>
<p>Let's get out, get active, and play this summer! This week will be filled with many exciting sports, games, and sport-themed crafts and activities! We will also explore the history behind some of our favorite sports. Not to mention ending our week by participating in a FUN Field Day Friday, with many events and chances to shine! So, get ready to Get Out, Get Active, and Play! (NOTE: Please make sure children have sunscreen and wear comfortable clothing and tennis shoes this week)</p>
